PROGRESS REPORT

1965

THE ARROW
LYCOMING COLLEGE
Williamsport, Pennsylvania

FOREWORD

Our college career is the cornerstone of our future. Each semester is a building block toward the realization of our goals.

The years fly by, so filled with expectations, disappointments, triumphs and despair that we little realize how far we have come.

We pause, at the conclusion of another year, to reminisce. We attempt to recall each aspect that has shaped our being, and in doing so we realize we have progressed.

It is this progress, the progress of Lycoming College as an institution of higher education, and the progress of the students in every phase of living, that we have attempted to capture.

*Progress, man's distinctive mark
alone,*

*Not God's, and not the beast's;
God is, they are,*

*Man partly is, and wholly hopes
to be.*

—Browning

The Class of '65 landed at Lycoming College. These eager students came from many parts of our fair country to share in the rich experiences awaiting them in the four years ahead. From humble Freshmen to noble Seniors, they have striven toward the goals they have set.

81038

Within the last three years not only the number and quality of Lycoming students but also the quantity and quality of buildings and grounds have increased. The '65 graduates have watched with pride as new landscaping and four dorms have been added to make Lycoming College a most attractive campus.

Our Student Union is unique, and Lycoming is proud to have the first Board in the nation to be run entirely by students. The Board itself was organized by the students, and in addition to contributing their time and energy, many of them subscribed money toward the construction of the SUB.

Our Student Union is more than a building—it is the center of campus life. In this "Laboratory for learning," students have a variety of cultural and recreational opportunities ranging from lectures and concerts to T.G.I.F.'s and ping pong. Here, too, students gather for a friendly discussion or re-hash of yesterday's game.

There is much interest in intramurals with each fraternity or dorm wing having its own team. Girls aren't forgotten either but have their intramural teams and play days with other colleges. Between varsity sports, gym classes, intramurals, and play days, Lyco students remain hale and hardy.

Although various curriculum changes have been instituted, Lycoming has remained essentially a liberal arts college. The new four-credit program introduced this year is designed to allow students to investigate more thoroughly a variety of fields. Lycoming's aim is not to educate students to be *something*, but to be *someone*.

Since our uncertain freshman days, many new friendships have been formed, new ideals and purposes formulated, new professors admired, and much more knowledge gained. Our attitudes and philosophies have been challenged and frequently modified by participation in extracurricular activities on campus as well as by research and study.

As the Class of '65 prepares to leave Lycoming's expanding campus, we face what lies ahead with confident hearts and enriched minds. On the foundations of knowledge and experience that Lycoming has given us, we will build our future—a future filled with promise and hope for a fruitful life.

DEDICATION

Progress at Lycoming College cannot be noted without recognizing those who have made it possible. Therefore, we, the class of 1965, dedicate our *Arrow* to one who is outstanding in this area. For his stimulation and contribution to the progress and development of Lycoming College we name Oliver E. Harris our 1965 *Arrow* dedicant.

Presently the Director of Development, Mr. Harris formerly served Lycoming College twice—first as an assistant professor of psychology and later as the Director of Admissions. He received his A.B. degree, as well as his M.S. degree from the Pennsylvania State University. He has taught in the public schools and in institutions of higher learning. Mr. Harris has furthered educational advancement in the area as well as on our campus by serving on local and county boards of education. With a man of such qualifications and devotion in charge of our development, Lycoming will progress.

THE PRESIDENT

To the Class of 1965

It was almost four years ago that you began what seemed to be a long road toward graduation. The way climbed steadily upward and there were times when the journey was difficult. But today you have arrived. This is the moment of achievement of which you have had many dreams.

It is good to be here. Good because you can look back over a pathway of mingled failure and success. Good because you have made new friends along the way. Good because you have explored out-of-the-way places. Good because your entire quest has been rewarded at last.

From this lofty vantage point I hope that you will see new opportunities stretching out before you. This is not the end of the road—it is only a turning. And if your education in the liberal arts has done nothing more than to set you free to learn and to grow, you will have had an abundant return on your investment.

Education must always be seen as a life-long proposition. So—I commend you upon your progress to date and I encourage you to continue the search. There are still new fields to be won.

Very sincerely,

Almost any activity named is available through our Student Union which "is designed to serve the needs of the students and faculty for a social and recreational center." This is what it does whether the activity is an artist lecture series, a movie, or just a game of cards. Although most of the events take place in the "SUB", there are sponsored activities such as bus trips to games, the I.M.C., and bowling tournaments which occur outside the Student Union Building. Our Student Union is and has been the *students* building, is run by the *students*, and well used by them.

Upon its return from an engagement at the New York World's Fair, the Band received a citation from the World's Fair officials for its concert as well as an invitation to return.

I.F.C.

The purpose of the Inter-Fraternity Council is to establish a relationship between the college and the fraternities which will promote fraternal achievement according to accepted college, community, and National Inter-Fraternity Conference standards.

This year the IFC is trying to stimulate the independent men's desire to join a fraternity. The Council has also attempted to fortify their "checker system" by enforcing all rules and penalizing those men who disobey. In this way, both the Council and the fraternities will be strengthened.

FOOTBALL

Coaches Busey, Green, Evans, Whitehill

The Warriors won the first game of the 1963 campaign and then suffered through a 14 game famine which lasted until the closing game of the 1964 season with Muhlenberg falling to the Warriors 9-0. This is certainly not to say that the gridders were not playing their best, but rather some of the best gridders were not playing. This all means that the footballers were once again being harrassed by the great god Injury most of the season.

If one examines the scores closely, one notices that the defense was rather stingy, yielding only an average of 16 points per game. Thus reasoning holds that it must have been the offense that was lacking. Lacking such backs as "Skip" Whitehill, one of the leading rushing backs in the MAC in 1963, Denny Warg, a terrific blocker and versatile running back, and Seth Keller, **the name** in rushing in the MAC for the past two seasons. No wonder the offense seemed to lack punch.

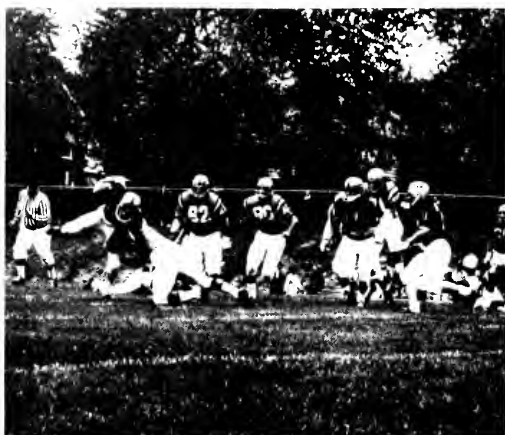

William Wilt
Captain

A bright spot or two in the season was the discovery of Wayne Miller, freshman quarter back who led the conference in passing and the discovery that Mike Cohen could make the switch from quarterback to half-back and still play brilliantly.

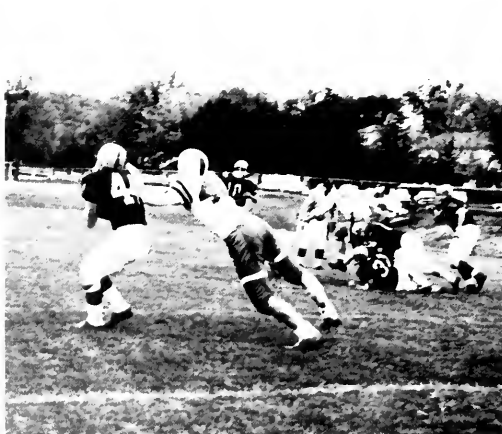

Managers: Dyer, Meitzler, Rrihar, Pecarella, Elser

SOCCER

The Warrior soccer team, plagued by injury and lack of depth, stumbled through a dismal season and finished with a 2-10 record. The team had just started to play together midway through the season when high scorer Walt Kinsey broke his leg and was finished for the season. This injury, coupled with leg injuries to key players Whitney, Rhodes, Sayre, and Heick, slowed down the Warrior offense considerably.

The booters two victories were over Wilkes College and Susquehanna University. Both of these games were well played, offensively and defensively, and both took place while the team was at practically full strength. Perhaps the Warriors best game was played against a strong, highly favored Drew University outfit which sported a 9-2 record entering the contest. At the beginning of the final period the Warriors led 2-1, but Drew scored three quick goals in the fourth period to snuff out the Warriors hopes of victory.

Lost to the team through graduation are Captain and halfback Clem Heick, wing George Dellinger, goalie Dave Meserole, and halfback Max Riewertz.

BASKETBALL

Coach Clarence (Dutch) Birch

Averaging 85 points per game to 83 for their opponents, the Lycoming College basketball team ended on a winning note for the first time in many a year. In the final count the high scoring Warriors finished with a 10-9 seasonal record.

Coach Clarence "Dutch" Burch was well-pleased with his team's showing and is looking forward to next year with anticipation. It seems that no one will be lost through graduation.

Co-captain Ron "Lefty" Travis led the Burchmen in scoring and rebounding and was highly ranked in the MAC in both departments. Bud Frampton and Dick O'Donnell also averaged in double figures with Frampton being the league leader in shooting percentage. Coach Burch rounded out the starting five with either Bob Barnhill, George Young, Dave Pearson, or Co-captain Irv Post. Travis, Frampton and Post are juniors, while Barnhill and O'Donnell are sophomores. Young and Pearson are both freshmen. Watch out for the 1965-66 Warriors!

Knoebel Defends Crown

Guasp Gains Control

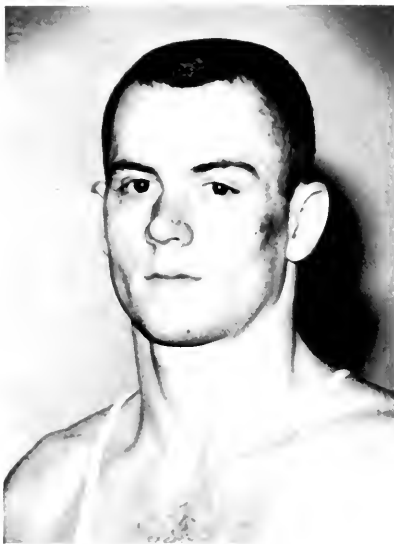

WRESTLERS TAKE SECOND IN M.A.C.'S

The Annual Middle Atlantic Conference Tournament, held at Gettysburg on March 5 and 6, saw Lycoming College finish second to Temple University 79-53 in team standings.

The two champions from Lycoming were Gary Guasp, a freshman, who finished first in the 123 lb. class, and Ron Knoebel, a senior, who won the title for the second straight year in the 137 lb. class.

Finishing second and third were Bill Bachardy in the 157 lb. class, and Rod Mitchell in the 130 lb. class, respectively.

Ron Knoebel

KNOEBEL CAPTURES NATIONAL TITLE

Senior Ron Knoebel won the 137 pound title of the N.C.A.A. College Division wrestling championships in Golden, Colorado, on March 13, 1965. Knoebel, from Elysburg, Pa., defeated Jim Rush of Western State of Colorado 6-0 in the finals to capture the crown.

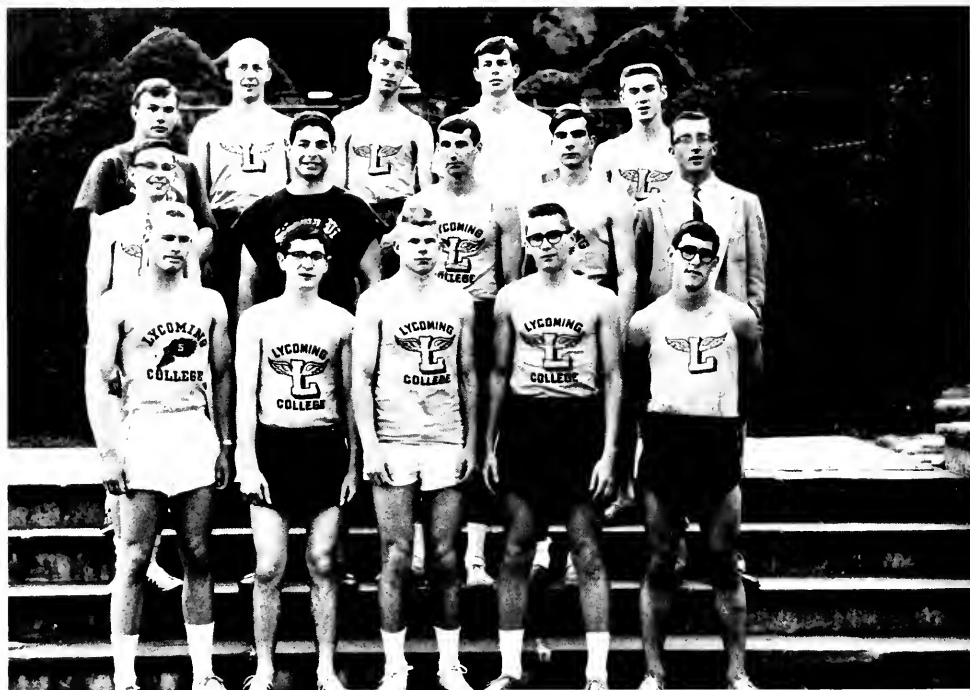

SWIMMER'S PLACE THIRD IN M.A.C.'S

This year's swimming team capped off its season with an impressive third place finish at the MAC's. Lycoming finished with 79 points compared to 95 for Dickinson and 103 for victor Franklin and Marshall.

Lycoming's two firsts were taken by Jack Hodgins in the 200 yd. freestyle and the 200 yd. individual medley. Seconds were taken by Wilson Bradley in the 100 and 200 yd. breaststroke events and Bob Lefkowitz in 200 yd. butterfly. The medley relay team of Schultze, Bradley, McFadden and Hodgins also took second place.

Third places went to Ralph Kaye in the 200 yd. butterfly, Hodgins in the 100 yd. freestyle, and Dee Schultze in the 100 and 200 yard backstroke events. The freestyle relay team of Schultz, McFadden, Pitkin, Westkott and alternate Kremzier also finished third.

All in all, it was a fine showing for a good team, with hopes to do even better next year.

Front row, l. to r.—Leech, Savage, Brown, Naugle, Miller. Second row—Hultsch, Calloway, Schultze,

Beecher, Coach Lou Wilcox. Third row—Smith, Wilbur, Bresseman, Mihal, Hauman.

TRACK

A much improved Warrior track team finished with a 2-3 dual meet record in 1964. The cinder-men didn't fare as well in three tri-meets, finishing last in two of them and in a tie for second in the third. Coach Lou Wilcox is building for the future however, and is looking forward to more success in years to come. Monty Whitney starred in the broad jump while Dee Schultze was winning in the high jump. Pole vaulter Dave Kauffman was showing great form until he was injured in the tri-meet at Bucknell with Bucknell and Juniata.

The highpoint of the season came when the Lycos defeated Lebanon Valley and Western Maryland in successive meets late in the season.

TENNIS

Coach Nelson Phillips
and Sig Janners

The netters of Coach Nelson Phillips ended their season with a match record of 9 wins and 2 losses for an .818 pct. The Warriors defeated such stalwart foes as Wilkes, Susquehanna, Upsala and Albright, among others while their two defeats were suffered at the hands of old nemesis Dickinson and Juniata.

The loss to perennially powerful Dickinson snapped a Warrior winning streak at three games. The second defeat was an unexpected upset victory for Juniata, and it cost the Warriors a tie with LaFayette for the MAC Northern Division title.

Seniors lost to the squad through graduation were Captain Dave Mitchell, Sig Janners, Marty Sher, and Barry Boyer.

GOLF

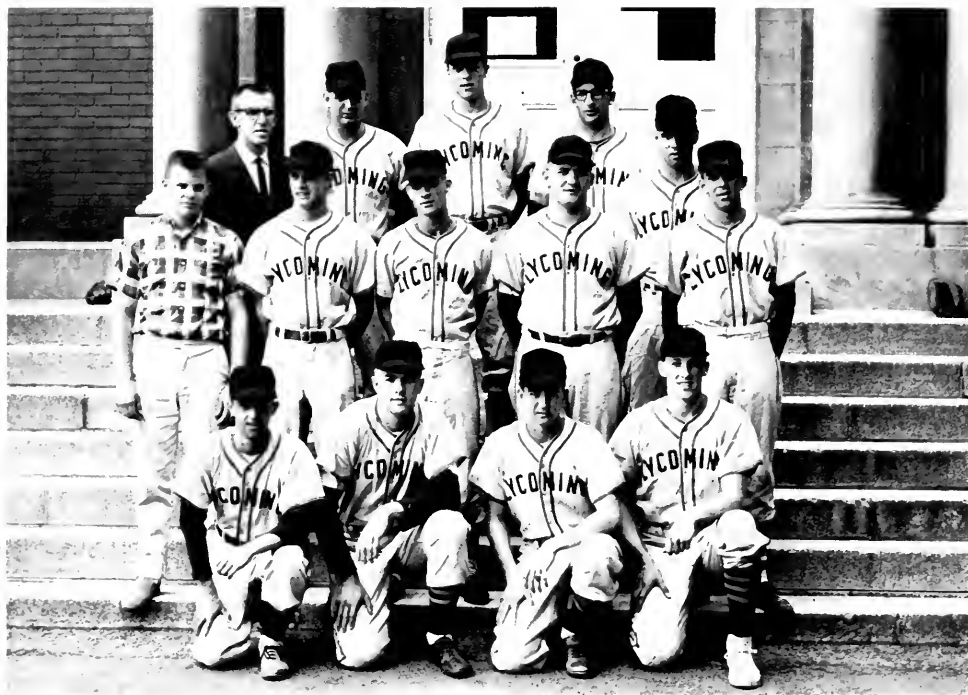

The 1964 Lycoming College golf team, ably coached by golf mentor Howard Harer, finished their season with a log of 7 wins and 6 losses. This record was not a true indicator of the teams strength as the number one and two men from the previous season were ineligible for intercollegiate competition.

The season started slowly with narrow losses to Kings and Scranton. Then the sextet of Woolbert, Matter, Danks, Wertz, Kates and Martz began to click with victories over Wilkes, W. Maryland and Muhlenberg in rapid succession. This streak was followed by a mild slump and the Warriors lost three in a row to Dickinson, Albright, and Susquehanna. Next the linksters hit the winning path once again and powered their way to four in a row over Mansfield, Bloomsburg and Juniata and a second win over Wilkes.

In the best match of the season the Warriors lost in extra holes to the Bisons of Bucknell University.

Led by the hitting of Ray Brown, Keith Wright and Brad Malone, and the pitching of Gary Reed and John Moyer the Warrior nine ended the season slightly below the .500 mark. More exactly, Coach Burch's batsmen finished with a 3-8 log recording victories over Wilkes and Dickinson.

The highlight of the season was a twin win over Dickinson. The Warriors won the first 7-0 behind the pitching of Gary Reed and the second 5-3 behind the pitching of John Moyer. Moyer also was credited with the 6-4 victory over Wilkes earlier in the season.

CHEERLEADERS

IN MEMORY OF JOHN ROBERT FOLK, JR.

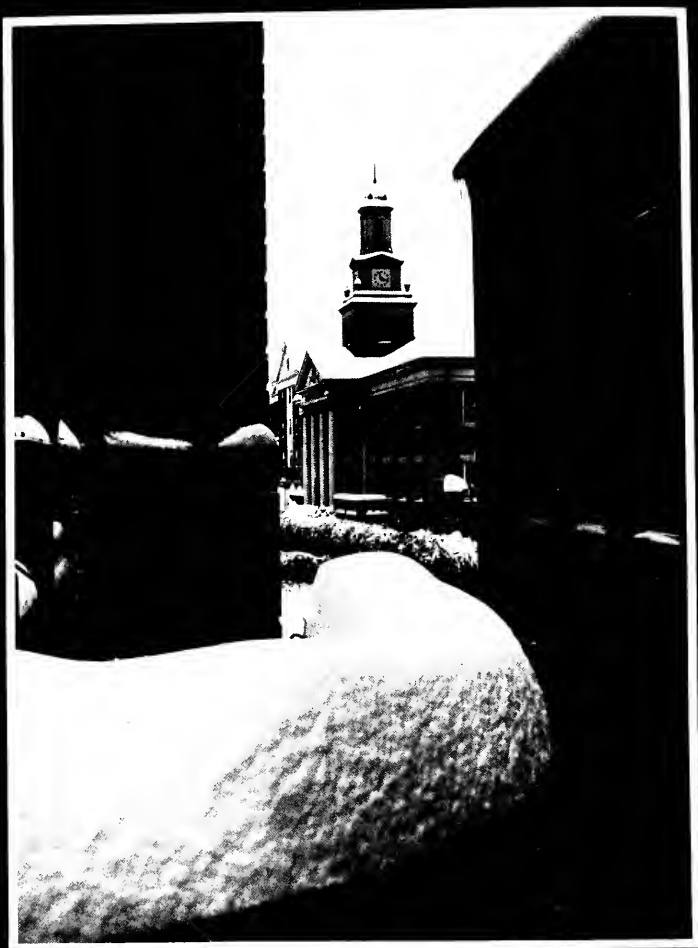

A tragic automobile accident on the night of February 12, 1965, took the life of John Robert Folk, Jr., one of the most active of all students on Lycoming's campus.

We of the **Arrow** staff especially feel the loss of John, who was our Sports Editor, as well as being Editor of the **Bell**, student pastor of the Nelson Methodist Church, assistant in the Public Relations Office, and a member of the sports staff of the **Sun-Gazette**.

All of us who worked with John feel that we are better people for having known him.

Is dim, or will be dim, with weeds:
What fame is left for human deeds
In endless age? It rests with God."*

Homecoming Ball

HOMEcoming

The theme of the annual Homecoming Weekend, "First Ten, Do It Again", was reminiscent of the first ten years of Lycoming's football history.

One of the main events of the weekend was the football game in which the Lycoming Warriors were defeated by Drexel after a very close and hard fought battle. The highlight of the game was the crowning of the 1964 Homecoming Queen at halftime.

The newly elected queen, Miss Toni Holm, a sophomore sociology major, was sponsored by the Men's Residence Halls. Toni was crowned by Miss Dodie Rice, last year's queen.

The final event was the Annual Homecoming Ball on Saturday night.

The Private Ear

LYCOMING COLLEGE THEATRE

It was a year of variety on the Lycoming stage. Mr. Welch built an ant heap *Under The Sycamore Tree*, Alpha Psi Omega produced a double-bill—*The Private Ear*—*The Public Eye*, Mr. Welch designed and directed *The Raft of The Medusa*, and *Pierre Patelin* was staged two weeks after second semester began.

LITTLE MARY SUNSHINE

Rick Besoyan's **LITTLE MARY SUNSHINE** played the first two weekends in March and was the highpoint of the Lycoming theatre season. This musical comedy was a departure from the strictly dramatic productions given previously.

Through the combined talents of Mr. Raison, Mr. Welch, Mr. Melver, Dr. Morgan, the fine cast, crew and orchestra, the performance was a tremendous success.

LYCOMING COLLEGE

D. FREDERICK WERTZ, *President*

Lycoming College is a coeducational liberal arts college which grants the Bachelor of Arts degree. The liberal arts program is basic to the professions of medicine, dentistry, law, theology and teaching, and is desirable for those planning to enter the fields of science, pharmacy, veterinary medicine and engineering.

Lycoming believes that a liberal arts education is still the best hope for an enlightened citizenry. It believes that vocational and professional specialization—an obvious necessity today—should be built on a foundation of liberal education embracing the humanities, the sciences and social sciences.

Students may concentrate their studies in one or more of the following areas:

| | |
|-------------------------|--------------------|
| ART | MATHEMATICS |
| BIOLOGY | MEDICAL TECHNOLOGY |
| BUSINESS ADMINISTRATION | MUSIC |
| CHEMISTRY | PHILOSOPHY |
| COOPERATIVE ENGINEERING | PHYSICS |
| ECONOMICS | POLITICAL SCIENCE |
| EDUCATION | PSYCHOLOGY |
| ENGLISH | RELIGION |
| FOREIGN LANGUAGES | SOCIOLOGY |
| HISTORY | |

Students preparing to teach in the public schools must select an academic major in addition to completing professional courses required for certification by the Pennsylvania State Department of Public Instruction.
